Within the order period weather briefings per phone are optionally possible:

price: € 80.- per briefing

The respective phone number will be announced after the order is complete. The phone briefing takes places after arrangement – preferentially between 1:00 and 4:00 pm CE(S)T – and has to be announced one day in advance at the latest. After the briefing is arranged with time and date it will be cleared. The expedition actively calls ZAMG in Innsbruck, Austria. The telephonic briefing is only possible in combination with a basic order (of 2 or 4 weeks), not separately.
